

Victor R Flaherty Sr. Civic Award

Attached you will find an application for the newly create Victor R. Flaherty Sr. Civic Award. As you may or may not know Victor R Flaherty Sr. resided in West Bridgewater for over fifty years. He was the President of the West Bridgewater Youth Athletic Association for many years, Selectman for nine years, volunteered, and donated his professional services to building and updating the West Bridgewater High School, Howard School, Spring Street School, Senior Center, Forestry and Highway Fleet Center, Town Hall and the new Police and Fire departments. The countless amounts of hours Victor R. Flaherty Sr. donated and the money he saved the town and its residents is immeasurable. Due to his invaluable efforts, the town wishes to honor him yearly by recognizing another person who also has unselfishly volunteered his or her time over the years to benefit the Town of West Bridgewater.

We are attempting to reach all department heads, churches, youth athletics and youth groups. This award will honor someone living or deceased who has/had unselfishly volunteered his or her time over the years to benefit the Town of West Bridgewater. Although the deadline to nominate an individual isn't until May 1, 2017, the committee wishes to have residents, and leaders of the community to start thinking of a deserving individual. Attached is an application which we hope you will pass along to your department members, groups and membership.
